

Thank you for including Jakeeno's pizzas and sauces as a part of your fundraising campaign.

Our Twin Cities community is so important to us. It is what has kept our family's business around since 1975, and made us a South Minneapolis mainstay.

As sisters, we're so proud to continue our parent's tradition of bringing high quality, Italian food to our community. Now, our same great pizzas and sauces are available through local fundraising.

We invite you to join us at our restaurant at 36th and Chicago for our full menu of fresh pizza, pasta, hoagies, and more! Or, order online for take-out and delivery at jakeenos.com.

Con Amore,
